## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1, 3-7 and 9-24 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1, 7, 23 and 24 teach towards a data carrier system and method comprising a first data carrier selectively couplable to a communications device and a second data carrier selectively couplable to the device in preference to the first, the first being arranged to be decoupled from the communications device when the second carrier is coupled, and during a predetermined period of time the communications device is arranged to be ensured of a supply of power by maintaining the supply of power to the communications device, in response to a command to extinguish the supply of power to the communications device, wherein upon receiving a command to extinguish the supply of power to the device, the second carrier is arranged to be decoupled from the communications device, the first carrier is coupled to the device, a communication task involving information is performed to update information in the first carrier, the first carrier is decoupled from the device, and the second carrier is coupled to the device whereinafter the supply of power to the device is extinguished.

Claims 1, 7, 23 and 24 teach a series of steps or elements which are neither taught nor suggested by the prior art. Claims 3-6 and 9-22 are allowed as dependent on claims 1 and 7 above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2682

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
